Our Gratitude

As we enter the fall of 2023, we take a moment to reflect on the profound changes that have unfolded on the global stage. We are admiring of the innovative approaches adopted to address the myriad of challenges that have confronted us in recent years. Difficulties such as navigating the aftermath of Covid-19, political conflicts, grappling with inflation and economic hardships, concerns about the environment, and notably for media veterans, adapting to the ever-evolving landscape of the media industry.

The remarkable resilience and creativity displayed by our valued partners within our industry are truly extraordinary. We extend our heartfelt appreciation for the opportunity to collaborate with such esteemed partners and feel privileged to be part of a media community guided by exceptionally talented leaders.

Thank you from all of us,

- The Bomanbridge Team

About us

Bomanbridge Media is a leading distribution and production company that specializes in Distribution, Deficit Finance and Co-production of Premium Content across the globe. Bomanbridge is committed to developing content that is meaningful, distinctive and diverse with stories that can travel across the world.

Inspired by gifted storytellers that achieve amazing things when following their vision, we strive to bring the highest quality creative programming to entertain, inspire and educate global audiences.

THE GREAT WALL WITH ASH DYKES

6 x 60' | 4K/HD | Insight TV, CCTV9 | *Just Delivered!*

Join Ash Dykes on the adventure of a lifetime, as he explores iconic and hidden parts of the Great Wall of China.

The Great Wall of China, one of the Seven Wonders of the World, has been explored, studied and documented countless times. But with its ever-changing terrain, rich culture and fascinating history, there's so much left to be discovered!

Join us for an awe-inspiring 6-part series as explorer and adventurer Ash Dykes embarks on his greatest journey yet – discovering the Great Wall of China by traversing six distinctly different landscapes and uncovering the wondrous secrets of this majestic wonder and how it was adapted to its surroundings.

From climbing near-vertical portions of the wall at extreme heights to scuba diving the deep waters where the wall now lies submerged, Ash offers intimate access to the Great Wall most visitors will never see; we learn about its historical influence, see the breathtaking landscapes its builders faced, and embrace its rich cultural heritage. In each episode, Ash also meets local people with a meaningful connection to their section of the Great Wall.

This 13,000-mile breath-taking wonder, visible from space, snakes its way through the Chinese landscape, presenting an extraordinary backdrop for Ash's exploration of China's astonishingly varied geography, ranging from barren deserts to snow-topped mountains and dense forests inhabited by exotic and endangered wildlife.

THROUGH THE SEASONS CHINA

BBC Earth | 3 x 60' | HD

This beautifully filmed series shows us China from the air, before revealing how the three lunar seasons have shaped its rich culture. As the seasons change, we witness how festivals brighten the calendar across this vast and diverse country.

Over thousands of years, China's people have developed distinctive agriculture, ways of life, crafts and culture around the opportunities and challenges of its landscapes presents. Today's China is the inheritor of many cultural traditions as well as a powerhouse of technology, science, engineering and industry.

URAK LAWOI: BROTHERS OF THE SEA

Just Delivered! | 1 x 90' / 1 x 60' | HD

In the clash between tradition and tourism, a resilient community of Urak Lawoi divers fights to safeguard their ancient underwater fishing technique on Thailand's Koh Lipe island.

Once a nomadic tribe, they settled down a hundred years ago. Today, they live mostly on the island of Koh Lipe, where they struggle to preserve their traditions, existing right next to a growing tourist industry. They are explorers, fishermen, and - above all - great divers. This is their story.

ATLANTIC

RTVE | 13 x 60' | 4K/HD

This is the story of a trip gone wrong, of an expedition that gets derailed in a time when the world closes up for travellers. Perhaps that's why *Atlantic* is so visceral, so human, so exciting.

Camila, Tato, Vinsen, and Daniel Landa form the team that embarks on the journey to circumnavigate the Atlantic Ocean by land, departing from Cape Finisterre, in Galicia, to arrive at Cape Agulhas in South Africa.

THE KUNG FU NUNS OF KATHMANDU

Just Delivered! | 1 x 60' | 4K/HD

The Buddhist nuns of Kathmandu are confident fighters. It's not only self-defense, but mainly self-knowledge that is the meaning behind their martial art fighting.

Kung-Fu is their meditation, and besides colorful ritual dances and prayers they hike through the remote Himalayas and help women to assert themselves alongside men. They build solar panels, repair houses, collect garbage and show how to protect the environment and the climate.

CHEFS UNCUT

6 x 30' | HD | Netflix | *Just Delivered!*

Chefs *Uncut* delves deep into the heart of Asia's culinary scene, telling the incredible untold stories of six of its most audacious and celebrated chefs.

To make it to the top, the journeys taken by chefs are fraught with challenges; social and cultural stigmas, family pressures, and the financial realities of making it in an industry with a high probability of failure.

These are people whose raw passion - often verging on obsession - drove them to make it to the top of one of the most brutal industries in the world. Yet these stories go almost entirely untold.

Each episode unravels the unfiltered journey of these leading chefs, who, with their fearless approach and unparalleled passion, are redefining the boundaries of Asian cuisine. From the busy streets of Singapore to the vibrant markets of Thailand and the rich landscapes of the Philippines, this series is an ode to chefs who dare to dream, innovate, and challenge the status quo.

DONAL SKEHAN'S ASIAN BAKING ADVENTURE

UKTV, BBC | 10 x 30' | HD

Donal Skehan, food writer, cook and social media host, heads east to explore the flavours and secrets of Asian baking.

This ten-part series explores the growing popularity of baking and flour-based foods in Asia and Donal visits six different territories - from the glitz and glamour of Hong Kong and Tokyo to the street markets and hipster cafes of Melaka & Macau. He meets celebrity chefs, family bakers and food entrepreneurs who have all been inspired by the growing trend for Asian baking.

DELICACY HUNTER

SBS Australia, National Geographic | 11 x 30' | HD

Jamie Bilbow is on a gastronomic journey to find Chinese foods with an intricate link to the 2000-year-old ancient network of roads that connected China and Europe and unearth the secrets behind some of the age-old recipes as told by the locals.

In Season 1, British Chef Jamie Bilbow travels the Silk Road, uncovering its impact on Western China's cuisine. Season 2 sees Jamie journeying from China's Gansu to Germany & Italy, exploring how food bridges East and West. Inspired by traditions, he gathers recipes to share and becomes a modern-day Marco Polo.

PAUL GOES TO HOLLYWOOD

UKTV, Cooking Channel | 4 x 60' | HD

Paul Hollywood, celebrity chef and *Great British Bake Off* judge, indulges in three of his greatest passions - motorbikes, movies & baking - as he heads off on an epic trans-continental adventure riding a customized Harley Davidson from New York to Hollywood.

Paul's journey intertwines film and food as he meets celebrities, including *Lisa Kudrow* (Friends) and *Brian Cox* (Succession) and gets his hands dirty in the kitchen. May the force be with him.

THE CLIMATE RESTORERS

[Watch Promo](#)

4 x 60' | HD | In Post-Production / Pre-sales available

Narrated by American Emmy-winning actor, director and narrator **Peter Coyote** (*E.T. the Extra-Terrestrial*, *Erin Brockovich* / *The Roosevelts*, *The Vietnam War* - Narrator), this global documentary series **The Climate Restorers** shifts our perceptions of the future - the climate we could have, if only we choose to create it.

The 4-part series explores climate restoration: the people, their visions and stories, and four major nature-based technologies of carbon removal and methane oxidation which can make it happen. In addition, it delves into the social and economic changes needed to move 'back to our future', and frames a new civilization by outlining how we can accelerate safe technologies, restore ecosystems, shift mindsets, and stabilize our climate and planet to protect our future.

Executive-produced by the distinguished MIT-educated physicist, engineer, serial entrepreneur, philanthropist, and social innovator, **Peter Fiekowsky**, author of recent best-selling book "*Climate Restoration: the Only Future That Will Sustain the Human Race*".

[Watch Promo](#)

#KIDSONTECH

RTVE | 1 x 60' | HD

#KidsOnTech is a film about kids and technology; a film about how the promise of technology is limiting children from developing the very skills they will need to engage in new technologies of the future.

Should we shield our children from it at all costs? Certainly not, nor could we if we tried. It's increasingly clear the problem isn't simply technology. However, access and full exposure to it are simply not as benign as perhaps we once thought.

SECRETS OF THE INTERROGATION ROOM

[Watch Promo](#)

10 x 60' | HD | Crime + Investigation Network

Secrets of the Interrogation Room takes a unique look at the battle of wits between police and suspects in some of the most disturbing murder cases in the US and UK in recent years.

The ten-part series is presented by criminal barrister and television personality Robert Rinder, whose legal background makes him the perfect guide to the dark arts of interrogation.

Across ten episodes of Secrets of the Interrogation Room, a team of experts will analyse ten police interviews, in each of which the skilled work of detectives was key to cracking the case and securing a conviction.

Retired senior detectives, forensic and criminal psychologists and body language experts will examine the original police footage of interrogations at the heart of each case, and reveal the 'tricks of the trade' used to extract a confession and the tell-tale signs that a suspect is lying

ALIEN MASS SIGHTINGS: THE UNDENIABLE TRUTH

Just Delivered! | 1 x 60' | HD

Mass alien sightings are one of the main phenomena of study in ufological matters.

In this documentary, the most important testimonies will be analyzed and an attempt will be made to understand whether the official explanations given by experts are reliable. In addition, by comparing the various testimonies, a common pattern will take shape that needs to be investigated further.

A GAME OF SECRETS

[Watch Promo](#)

1 x 90' / 1 x 60' | HD | DR Denmark, HBO, Netflix UK

Rui Pinto, young Portuguese man, hacks the global football industry in 2015 and reveals transfer fee, wage and contract information about famous footballers on the anonymous website, “Football Leaks”. In the process, he makes himself the target of powerful enemies and is finally arrested in Budapest in 2019.

A Game of Secrets documents this extraordinary attempt to expose the glaring hypocrisy and greed inside the business of professional football, as Football Leaks appears out of nowhere and announces its mission in a brief manifesto - “*This project aims to show the hidden side of football*”. Over the next three years the extremely profitable and highly questionable methods of football’s superstars and middlemen uncovered by Football Leaks make global headlines. To name just a few, Cristiano Ronaldo is convicted of tax fraud and Manchester City are banned from European club competitions. In 2018, *Nelio Lucas*, a leading football agent in business with Kazakh oligarchs - and one of Football Leaks’ main targets - receives an offer from a Russian hacker: Make a generous donation and the leaks of confidential documents will stop. After a high stakes meeting, police raid a scrappy Budapest apartment. Out walks a teenage-looking Portuguese named Rui Pinto - in handcuffs, worn-out sneakers and a backpack full of hard drives.

Pinto is flown to Lisbon where he is put on trial and sees his claim of being football’s Robin Hood undermined by his blackmail attempt and digital robbery of a bank in the Cayman Islands years earlier. It isn’t the last twist in this engrossing dark tale behind the Beautiful Game.....

THE MOLE: UNDERCOVER IN NORTH KOREA

BBC, DR Denmark | 1 x 120' / 2 x 60' | HD

A real-life undercover thriller about two ordinary men who embark on an outrageously dangerous ten-year mission to penetrate the world's most secretive and brutal dictatorship: North Korea.

This is the story of **"The Mole"**, an ordinary family man and a former chef from Denmark turned secret agent, and **'Mr. James'**, a former jet-set cocaine pusher posing as a Scandinavian billionaire.

Watch Promo

NUCLEAR ENERGY - THE SOLUTION FOR A GREEN FUTURE?

Just Delivered | 1 x 60' / 1 x 30' | HD

Is nuclear power crucial for the energy transition to meet climate goals? To meet climate goals, global electricity must go carbon-free soon. Turkey and Poland plan to replace coal plants with nuclear.

In Silicon Valley, Oklo's Jacob DeWitte, backed by Sam Altman, seeks to revolutionize nuclear power. We examine nuclear materials and Europe's growing fuel element industry post-Ukraine conflict, with Russia as a major player.

CLIMATE CHRONICLES

Just Delivered! | 8 x 30' | HD

This series presents a collection of impressive stories about our planet's changing climate and the most pressing environmental challenges of our time.

Join us on this captivating journey, exploring the destructive effects of storms, the challenges of winter tourism, and the potential of wood as a sustainable building material. From mangroves as climate saviors to the devastating impact of wildfires, each episode unveils the need for action, while also igniting a sense of hope for a resilient future. There is no planet B!

Watch Promo

EARTH EMERGENCY

PBS US | 1 x 60' | HD

Narrated by American actor Richard Gere and featuring leading climate scientists, *Earth Emergency* examines four of the major warming feedback loops threatening our planet: Forests, Permafrost, Albedo and Atmosphere.

This gorgeous film adds the missing piece to the climate puzzle and offers urgent hope. While everyone has heard of global warming, few understand how environmental feedback loops amplify the warming even further, something which is not being taken into account by policy makers.

KLIMT & THE KISS

1 x 90' / 1 x 60' | HD | Sky Arts

Discover the scandalous life and the rich tapestry of extraordinary influences behind one of the world's favourite paintings.

The Kiss by Gustav Klimt is one of the most recognised and reproduced paintings in the world. It is perhaps the most popular poster on student dorm walls from Beijing to Boston. Painted in Vienna around 1908, the evocative image of an unknown embracing couple has captivated viewers with its mystery, sensuality and dazzling materials ever since it was created. But just what lies behind the appeal of the painting – and just who was the artist that created it?

MARY CASSATT: PAINTING THE MODERN WOMAN

1 x 90' / 1 x 60' | HD | Sky Arts

Discover the life and career of Mary Cassatt, the often overlooked impressionist who transformed the way women appeared in art.

Mary Cassatt made a career painting the lives of the women around her. Her radical images showed them as intellectual, curious and engaging, which was a major shift in the way women appeared in art. Presenting her astonishing prints, pastels and paintings, this film introduces us to this often-overlooked impressionist whose own career was as full of contradiction as the women she painted.

HOPPER: AN AMERICAN STORY

PBS US | 1 x 90' / 1 x 60' | HD

Hopper's work is some of America's most recognisable art – popular, praised, and mysterious. Countless painters, photographers, filmmakers and musicians have been influenced by his art – but who was he, and how did a struggling illustrator create such a bounty of notable work?

This film delves into Hopper's art, life, and relationships, exploring his early career, his wife's sacrifices, his acclaim, and the enigma behind his work.

THE DANISH COLLECTOR: DELACROIX TO GAUGUIN

Theatrical Release | 1 x 90' / 1 x 60' | HD

For many years no-one was interested in the art of the impressionists. Artists like Monet, Degas and Renoir were vilified, attacked, and left penniless as a result.

Then, something remarkable happened. A new breed of collectors emerged and, before long, they were battling to acquire any work by these new, radical artists that they could find. Amongst them was the visionary Danish businessman Wilhelm Hansen. It was an extraordinary moment in art history; full of drama, intrigue and subterfuge.

SUNFLOWERS

Theatrical Release | 1 x 90' / 1 x 60' | HD

The Van Gogh Museum has opened its doors exclusively to Exhibition on Screen, to go beyond the surface and explore the many questions and mysteries that surround these seminal works.

Why did van Gogh choose the exotic sunflower with its long stem and golden crown? When did the flower itself arrive in Europe and how had previous artists reacted to it? What was van Gogh trying to say with his works and how does that differ from version to version? What secrets did scientists discover when they analysed the work in detail?

THE LEAGUE OF EXTRAORDINARY ANIMALS

13 x 60' | 4K/HD | In Pre-Production / Pre-sales available

The League of Extraordinary Animals is a dazzling and exciting new nature show that looks at the most amazing animals, their incredible behaviours, and remarkable physical features.

In each themed episode we take a close look at the most extraordinary animals across different categories of nature, as we organize the animal kingdom into different behaviours, body parts, survival tactics, colours, habitats, and animal types.

Across the series we'll use compelling natural history archive from the best sources in the world to showcase an amazing array of animals each with their own distinctive behaviour geared for survival. In the predator episode we'll see extraordinarily patient predators, as well as venomous, bloodthirsty, pack-hunting, cunning, explosive, and aerial ones. Extraordinary predators that use traps, weapons or just one single bite and ones that are horrifying, weird or exceptionally speedy, as we build up to the MOST EXTRAORDINARY predator.

This highly informative and entertaining format can run to hundreds of episodes, each one showcasing incredible footage, information, and stories about the most wonderful and weird animals on Earth. And the MOST EXTRAORDINARY ones.

VALLEY OF THE BEARS

Just Delivered! | 1 x 60' | HD

Bear-human confrontations are on the rise across the world. The beautiful coastal valley of Bella Coola, British Columbia, is a case in point, especially as the salmon population continues to dwindle.

Where they used to live in harmony, daily conflicts are common due to the high concentration of bears to humans. With grizzly hunting banned and bear watching tourism rampant, bears are becoming habituated and have started to forage in the town.

CROCODILES REVEALED

1 x 60' | HD | National Geographic

Nile crocodiles are probably Africa's most ruthless killers. Huge, dinosaur-like predators launching from murky rivers to attack helpless prey. It's a scene we've watched on TV screens for decades. But it doesn't tell the whole story. These formidable carnivores are so much more than this.

Throughout this film, numerous crocodile secrets are revealed by a team made up of experienced herpetologists and dive experts. We see how crocodiles can change their behaviour with ease... How careful and calculating they really are...

CECIL, THE REAL LION KING

1 x 60' | HD | National Geographic

This film tells the story of Cecil the lion, one of the biggest wild lions in Hwange Game Reserve, Zimbabwe, and his life before being tragically killed by hunters.

While his demise at the hand of hunters was splashed across the media, sparking fury and sadness in all who heard his tale, Cecil's life-story before he was posthumously iconized is worthy of celebrating. To let him slip into anonymity would be as tragic as his death. By remembering him as a warrior, father and loyal brother, he will always be remembered as the king he was born to be. This is where our story begins...

NATURE'S CHANGES

1 x 60' | 4K/HD | Just Delivered!

In nature, change appears to be a gradual process. And yet, a closer look reveals just how quickly the world around us can be altered. Wildfires ravage the landscape. Droughts decimate plant and animal populations. Excessive rainfall washes away everything in its path.

On the planet's surface, only one thing is certain: nothing ever stays the same for long. Humans have brought about unparalleled changes in a comparatively short space of time. Now it remains to be seen if the planet and its inhabitants find ways to adapt to this new, everchanging world, as they have done in the past?

TALE OF THE SLEEPING GIANTS

Just Delivered! | 1 x 90' / 1 x 60' | HD

Visit first-hand Finland's mythical "Sleeping Giants" – an ancient mountain range believed by Finnish folklore to be a surviving witness of the world's creation.

Tale of the Sleeping Giants is screenwriter Antti Tuuri's vision of these mountains as sleeping giants told in the form of a nature movie. Described by *Seiska* magazine as "breathtakingly beautiful" and featuring an "epic soundtrack" by award-winning composer Panu Aaltio, this documentary feature film is a journey into the rich mythology of ancient Scandinavia.
